Larry Kester (/principals/2015/5/6/larry-kester-1)

May 6, 2015 (/principals/2015/5/6/larry-kester-1)

As a graduate from OSU (http://pio.okstate.edu/), he has practiced architecture for more than forty-five years. He is licensed in thirty states, with a NCARB (http://www.ncarb.org/) certification. He was an active member of the American Institute of Architects (http://www.aia.org/), as a past President and Board Member of the Eastern Okla. Chapter, a Secretary/Treasurer of the Oklahoma Council of Architects, and has participanted in the Central States Region Council of Architects.

His works are in all stages from to design to completion in several states, spanning to both coasts, achieving the highest recognition for excellence.

His awareness of the need for a livable built environment prompted the utilization of components such as man-made water features, extensive landscaping, extensive site amenities, and comfortable color concepts.

Mark Thomas (/principals/2015/5/6/mark-thomas)

May 6, 2015 (/principals/2015/5/6/mark-thomas)
