

ATTENTION INHOFE PLAZA RESIDENTS

- It has come to THA's attention that an individual at Inhofe Plaza has **tested positive for COVID-19**.
- This person is **not a THA employee**.
- THA cannot release this person's name or information, but THA can relay that this person did visit several common areas in the building, including the **lobby**, and used the **building elevator**.
- **THA is currently taking measures to sanitize all affected common areas.**
- THA is also strongly encouraging each of you to take necessary precautions in line with recommendations from the Center for Disease Control and Prevention. **THA is encouraging you to self-monitor, and in the event that you believe you are experiencing COVID-19 symptoms to see a licensed physician or healthcare provider.**
- If you do not have a primary care provider, you may contact Community Health Connection at 918-622-0641 for assistance.
- **If you test positive for COVID-19, or think you may be positive, we strongly suggest that you follow CDC guidelines and self-quarantine inside your apartment for at least 14 days and not walk through the building unless your condition worsens and you need to seek medical attention.**
- **If your health care provider confirms that you have contracted COVID-19, we ask that you notify your property manager quickly.** In keeping with HIPAA and other healthcare policies you are not required to do so, but we ask that for the safety of our residents and staff you make us aware of your diagnosis by calling your property manager at **918-743-3337**.
