CHOICE NEIGHBORHOODS

River West

THA and the City of Tulsa have been awarded a \$30 million FY 2017 Choice Neighborhoods Implementation Grant and a \$5 million FY 2021 Choice Neighborhoods Supplemental Grant for the Eugene Field Neighborhood. While located in a potentially desirable area, isolating physical barriers, years of disinvestment, and over-concentration of distressed, subsidized housing have hindered the neighborhood's possibilities. Despite these obstacles, THA, the City of Tulsa, and the community used a FY 2010 Choice Neighborhoods Planning Grant to create a collective vision that has begun to transform their neighborhood. The Choice Neighborhoods Implementation grant, and significant private and public leverage will accelerate the progress. With these resources, Tulsa will replace the distressed Riverview Park apartments, which has 190 public housing apartments, and Brightwater Apartments, which has 200 Section 8 project-

based apartments, with high quality mixed income housing totaling 435 apartments known as River West; dramatically improve children’s educational outcomes, open new employment opportunities, increase health care access; and implement catalytic neighborhood improvements that will build upon Eugene Field’s assets. Phase I of this project was completed in 2021, with Phases II and III completed in 2022, and Phase IV completed in 2023. The remaining two phases will be completed by 2024.

36N (Comanche Park Apartments)

THA and the City of Tulsa have been awarded a \$50 million FY 2021 Choice Neighborhoods Implementation Grant for the 36th Street North Corridor. While located in a potentially desirable area, years of disinvestment and over concentration of distressed low income and subsidized housing have hindered economic growth and prosperity. Despite these challenges, THA, the City of Tulsa, and several community partners came together to establish a comprehensive master plan, Envision Comanche, to create a collective vision for this neighborhood surrounding the Comanche Park public housing community. That vision called for the area transforming into a welcoming mixed-income community. Several improvements have been initiated in the area, including the start of the Peoria-Mohawk Business Park and the implementation of the Bus Rapid Transit System. The Choice Neighborhoods Implementation Grant, and significant public and private investments will accelerate the revitalization of this community. With these resources, THA will replace the distressed Comanche Park Apartments, which has 271 public housing apartments, with high quality mixed-income housing totaling 545 apartments known as 36N; dramatically improving educational outcomes, expand employment and employment readiness opportunities, increase healthcare access, and implement catalytic neighborhood improvements that will build on the burgeoning improvements occurring along the 36th Street North corridor. Phase I of this project is expected to begin in early 2024.

As a result, the Housing Authority of the City of Tulsa will be converting to Project Based Vouchers under the guidelines of PIH Notice 2012-32, REV-1 and any successor Notices. Upon conversion to Project Based Vouchers the Authority will adopt the resident rights, participation, waiting list and grievance procedures listed in Section 1.6 of PIH Notice 2019-x23, Rev 4; and Joint Housing PIH Notice H-2016-17/PIH-2016-17. Please be aware that upon conversion, the Authority's Capital Fund Budget will be reduced by the pro rata share of Public Housing Developments converted as part of the Demonstration. The Housing Authority of the City of Tulsa will be using existing PHA resources (including Capital and Operating Funds and existing reserves) as well as additional sources, including private or FHA-insured debt, Low Income Housing Tax Credits (LIHTC), and grants.
